

ADPICS PCHR0241 REPORT, DEPT PURCHASE ORDERS - REVISION TO ISSUE #47

Tip & Techniques, Volume 5, Issue #47, stated that the ADPICS PCHR0241 Report would be available on September 18, 1999. Although the report was generated, it did not distribute to RMDS. This problem is being corrected and it will be available on September 21, 1999.
